

# Deepdive in change frameworks

CHANGE

*Each content can be adapted according to your needs.*

## PEDAGOGICAL OBJECTIVES

- Bring awareness around 7 change frameworks
- Have an overview of the assets linked to the models
- Understanding the benefits of each framework
- Learn from use cases

## TOPICS COVERED

An overview of the 7 models: Kotter, Lewin, Prosci ADKAR®, Ajzen, Six Batteries, Systemic Transition Management, and #WeChange. It creates awareness around the framework itself, when it's best suited, and to define decisions and next steps for your own initiative.

### 1. Context

Why use frameworks?  
When to use which framework?

2.

### Model's overview

Model presentation  
Structure, terminology, and principles

3.

### Model's assets

Discovering and understanding the different types of assets and their good usage

4.

### Start your journey

What is the framework best suited for the change initiative at your organization

**Recommended duration**

1 day

**Prerequisite**

Managers facing change resistance
